| Defendants. |) | REPORT |
| |) | |

It appears that the only objection to the Presentence Investigation Report is to paragraphs 71 and 76. Therefore I find that the Presentence Investigation Report is true and accurate, aside from the two paragraphs to which objection has been made, and shall depend upon the government to produce evidence in support of those two paragraphs at the time of the sentencing.

Dated December 9, 2008.
